“This is a very exciting time for Somerset Trust,” said Sean Cook, President and Chief Executive Officer of the Bank. “The move into our new headquarters is a defining moment for us as it brings many coworkers back under one roof which will enhance the existing teamwork culture while establishing the foundation for our future growth. This project took several years to put together and I’m very grateful for all the support we’ve received from our shareholders, our board, and the community.”

The Georgian Place Branch opened to customers on September 4, 2026 and is the Bank’s 48th branch and the 11th branch in Somerset County. This branch can be found at 325 Georgian Place, Somerset, PA 15501. This is a full-service branch with the lobby being open for business Monday through Friday from 8:00 a.m. to 4:30 p.m. Additionally, this branch offers 24/7 ATM access and a night drop.

“Reaching this milestone would not have been possible without the support of the Somerset community, our fellow Georgian Place businesses, and, most importantly, our loyal customers,” commented Erin Knepper, Assistant Vice President & Marketing Officer of the Bank. “Their trust has afforded us the opportunity to grow organically and reach this moment. We saw an opportunity not only to return to a place that holds so much history, but to help restore the complex, preserve its character, and create a pathway to new beginnings.”
