Somerset Trust Company Opens Second Location in Mount Pleasant

MOUNT PLEASANT, PA (March 12, 2024) – Somerset Trust Company continues to demonstrate its commitment to Westmoreland County opening its second location in Mount Pleasant on Monday, March 11th. The first Mount Pleasant branch opened ten years ago inside the Walmart in Summit Ridge Plaza. The new branch, conveniently located at 632 West Main Street in Mount Pleasant, is the bank's 46th branch and the 14th in the county. The remodel of this location represents the 4th project completed by Somerset Trust in Westmoreland County in the past six months.

The Mount Pleasant branch on West Main Street is a full-service branch with a drive-thru lane where tellers can be reached via video during business hours, 24/7 ATM access, a coin-counting machine, a night drop, and an instant issue debit card machine which prints cards on the spot for new accounts or to replace lost or damaged cards. Additionally, the drive-thru features an interactive teller machine or ITM, which provides both traditional ATM functionality and the option to speak with a local representative through video chat Monday through Friday 7am to 7pm and Saturday 7am to 4:30pm. The lobby and drive-thru are open Monday through

Thursday 8:00am to 4:30pm, Friday 8:00am to 6:00pm, and Saturday 8:30am to 12:00pm.

“This new branch will be a great complement to our location in Walmart as it will help us continue to serve our Mount Pleasant customers and be a convenient option for businesses and individuals working in town on a daily basis,” stated Kamala Schmucker, Vice President and Lead Branch Administrator for the Westmoreland-Fayette region.
