Happy National FinTech Day!

Two years ago, Somerset Trust Company established National FinTech Day in recognition of the amazing partnerships we have formed with technology companies in order to bring our customers new and innovative products and creative service solutions. Typically, we would be inviting those technology partners and all the members of our community to a big party to celebrate the advances we have made over the course of the year.

For all the reasons you’re probably tired of hearing about, that isn’t an option this year. So instead, we’re taking our celebration to the digital world – how appropriate, right?! And since we’ve all been missing out on the opportunity to travel, too, we thought we’d take advantage of our digital world to travel the world virtually!!

Introducing The Wonders of the World – STC FinTech Scavenger Hunt!

For this hunt, you will be presented with eight clues, each of which will invite you to interact with a different piece of STC Technology. At the end of that interaction, you will find/receive one of the eight Wonders of the World*. Record which wonder you found and where you found it, and bring your answers to a Somerset Trust branch near you** or email your answers to the address below! The more clues you complete, the better the prize! You do not have to complete the clues in any particular order, and you do not need to complete all the clues to get a prize – if you complete at least 5 clues, you will receive a piece of tech-savvy STC swag!

The hunt is on from Thursday, August 20, 2020 – Monday, August 31, 2020.

Email: Marketing@somersettrust.com

**When you bring your answers to one of our branches, we will collect your information and present you with a voucher for your prize. Prizes will be distributed following the conclusion of the hunt.

ELIGIBILITY: You must be at least 18 years old to participate. No purchase necessary, and you do not need to have an account with Somerset Trust Company to participate.

*Fun Fact: There are actually lots of different lists of the Wonders of the World! In the spirit of FinTech, we elected to use the list generated by New7Wonders Foundation which used an online survey to determine winners by how many votes each location received.
The Wonders of the World – STC FinTech Scavenger Hunt

1. If you want to travel the world virtually, there’s only one place to start – the World Wide Web! When taking a big trip, you may need to save up. Luckily for you, Somerset Trust has some great calculators that can help you learn how to plan for all of life’s major expenses!

Which wonder did you find? ____________________________ Where did you find it? ____________________________

2. Another way you might pay for the trip is by collecting all your loose change! Check your couch, under the car seat, empty your pockets and bring it all to one of STC’s branches that has a coin counting machine and we’ll exchange it for cash! {This service is free for customers, and we will waive the fee for any non-customers participating in the scavenger hunt.}

Which wonder did you find? ____________________________ Where did you find it? ____________________________

3. If you don’t have enough time to save up for this trip and you’re really anxious to get out of dodge, you may consider borrowing some money. We can help with that! But, as with all loans, we’ll need you to sign a few things first.

Which wonder did you find? ____________________________ Where did you find it? ____________________________

4. If you’re having trouble finding something on the site, fear not! Live STC representatives are waiting by their keyboards to assist you with any issues you may have. While you’re at it, why don’t you ask them where they would like to vacation?

Which wonder did you find? ____________________________ Where did you find it? ____________________________

5. When scouting out different destinations, you may check out some travel videos on YouTube. We’re big fans of documentaries ourselves – that’s why we made one! There’s even a short version of “Our Story” available for anyone to watch!

6. When you’re getting ready to head out, you may need to stop at an ATM. We have a bunch! The ones at our branches are especially easy to use – you don’t even need to do a transaction to get your clue!

Which wonder did you find? ____________________________ Where did you find it? ____________________________
7. During a road trip, you may be looking for something to pass the time in the car. STC is here to help! Check out our STC Trivia App and quiz your friends and family on some local (and some non-local) history!
